3. PRESENTATION SYSTEM

Each oral session room is equipped with a microphone, a laser pointer and a fixed LCD projector.

All oral speakers are required to submit presentation data <by Thursday, October 31, 2019>

How to submit: to be informed in the next announcement.

For the data format, please be sure to follow the guidelines below.

<IMPORTANT>

This is to ensure beforehand that your data will be projected without any technical errors with our PC. Without receiving your data by the date above, we will not guarantee if your data function works properly.

1. Each session room will be equipped with a laptop computer in which Microsoft PowerPoint 2016 is installed. (OS: Windows 7, English version).
2. Bringing your own laptop is NOT acceptable to avoid causing connection errors between both PC environments. Please either send your data or bring it in USB device.
3. Mac is NOT acceptable to create your PowerPoint data due to risk of failure for reviewing and operating graphical tools in our PC.
4. Sound system will be available. Please inform to a staff at the room before the session starts. If your data includes movie, please be sure to submit it to us in advance.

4. CHECK-IN FOR PRESENTATION

We will have your submitted data ready at the session room. If you make any change on your data after October 31, 2019 please bring yours in USB device to a staff.

Thank you in advance for your generous understanding and cooperation for the success of UCEC2017!
